See a "Poison Squad" for Food Tests  
Says Naval Official.

WASHINGTON, Oct. 28.—Efforts of the "poison squad" of the navy to secure only the most wholesome food for the enlisted men, are revealed in a special order which Paymaster-General McQuinn has just issued to the officers and chiefs in his bureau. In it he declares that "our men are no 'poison squad'." But human beings and American citizens for whom we stand in the relation of trustee in so far as relates to the question of food.

He announces that "every effort to secure the very best quality of food for the navy, and that no matter what the cost, the navy will not be satisfied with anything less than the very best."

FORGERIES FOOTING  
\$75,000 OR MORE  
CHARGED TO BROKER

Young Man of Meadowbrook Hunt Colony Accused by Ehrlich & Co. Indicted.

Charged with forgeries amounting to from \$75,000 to \$80,000, George H. Lowden of Hempstead, a broker, a member of the Meadowbrook Hunt colony, formerly associated with the brokerage house of Talbot J. Taylor & Co., R. L. is said, on the recommendation of Paymaster-General McQuinn, to have been indicted in the County Court to-day.

Lowden, who is about thirty years old and made an appearance altogether unlike that of most of the prisoners brought to the court, was taken into custody last night in the office of Ehrlich & Co., brokers, at No. 67 Exchange place, where he has been employed for several years as a solicitor of business, with considerable success due to his social connections and his general good fellowship. Detectives Clare, Whalen and Brown, after they had heard the case made against Lowden by the firm, refused to take on themselves the responsibility of putting him under arrest formally. They took him to the Criminal Court Building, where Assistant District Attorney Perkins told them to arrest their man and lock him up at Police Headquarters. In presenting the case before Magistrate Campbell, the detectives told

the Magistrate that William H. Ehrlich, the head of the brokerage firm, told them that a few months after Lowden had become connected with the brokerage house he announced that he had a new customer, a Mr. Weston. Dowden, they explained, deposited 100 share certificates of the Laclede Gas Company of St. Louis as collateral for Mr. Weston's margin.

Mr. Weston never came to the office. His orders were always received through young Lowden. From time to time, when Mr. Weston's trades were successful, Lowden, according to Mr. Ehrlich, drew down the profits in cash and said he would turn them over to Mr. Weston, whose receipts he always presented in proper form.

Some time before the closing of the Stock Exchange the Weston account was wiped out and the firm foreclosed on the collateral. There was not the slightest suspicion of the genuineness of the ten certificates which lay in the firm's strong boxes each for a hundred shares. The prevailing price for the stock has been from \$75 to \$80 a share.

The firm had occasion to transfer one of the certificates some time ago. It was returned to them yesterday afternoon as a forgery. Mr. Ehrlich, after a consultation of the members of the firm, sent out a messenger to ask young Mr. Lowden to come to the office at once on a matter of important business, no matter how late it was after ordinary hours when he received the summons. Police Headquarters and the District Attorney's office were at once notified and the young broker was made a prisoner as soon as he appeared.

Magistrate Campbell set a hearing for Saturday for Lowden had waived examination, but Assistant District Attorney Perkins took all the witnesses before the Grand Jury immediately. To his young and very pretty wife, who appeared at the Criminal Court building soon after he was taken there, Lowden protested that he was altogether innocent of any wrong.

Four Other French Boxers Slain in War.

SAN FRANCISCO, Oct. 28.—According to a letter received here by Mrs. Norman Kelly, wife of pugilist Kid McCoy, from a friend in Paris, four famous French boxers have been killed in the European war and a fifth is badly wounded.

Those said to have been killed are Charles Ledoux, Charles Struber, Adrian Hagan and Max Stinger. Ledoux is known in this country, having fought in New York and Los Angeles.

Leaves Over \$25,000 to Charities. The balance of the estate goes to relatives.

Army Nations Up With the Rest. WASHINGTON, Oct. 28.—Even the army nation, with its simple components, has shared in the general increased cost of living. The annual report of Quartermaster-General Aleshaire shows that the average cost of the ration for American troops this year was 24.40 cents as against 23.41 for 1913.

The questions answered below are general in character, the symptoms or diseases are given and the answers will apply in any case of similar nature.

Those wishing further advice, free, may address Dr. Lewis Baker, College Bldg., College-Elliott Bldg., Dayton, O., enclosing self-addressed stamped envelope for reply. Full name and address must be given, but only initials or fictitious name will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesaler.

He has chills and no appetite. Please prescribe.

Answer: The symptoms indicate danger of malaria and should not be neglected. I would advise balsam tablets, a compound well suited to such cases. Obtain a sealed tube with directions for home use.

C. O. C. asks: "I am constipated, tongue coated, have headache, sleep apnea and indigestion sometimes. Please advise."

Answer: I advise that you begin using three grain sulphate tablets (not sulphur). These tablets are laxative, act on the liver, stomach and bowels and tend to keep the blood pure by assisting the eliminative functions. Relief should follow quickly.

Secretary writes: "I have pains in my spine and twinges in back of head, fainting spells, twitching and trembling, nervousness, sleeplessness, loss of appetite and strength, and in fact am a 'has been' when it comes to performing accustomed work and duties. Please advise."

Answer: In all such cases the eliminative functions have not been kept in working order. I would advise sulphate tablets, a compound well suited to such cases, and advise them for you.

Mrs. C. W. B. asks: "I suffer greatly in hot weather, owing to the much fat. Can you advise me of a good reduction remedy?"

Answer: Any well-stocked pharmacy can supply you with five grain arsenic tablets, sealed in sealed tubes, with full directions for use. These tablets have proven wonderfully effective in reducing abnormal fat.

Mrs. "Annie R." writes: "My husband is severely afflicted with some kidney disease. He has become weak and suffers with backache and pain in the back and groin. Pains are like rheumatism. His urine smells and his feet come to be lined all the time. Some days
